THE PUBLIC SERVICE COMMISSION OF
SOUTH CAROLINA
DOCKET NO. 93-482-T - ORDER NO. 94-340 ✓
APRIL 14, 1994

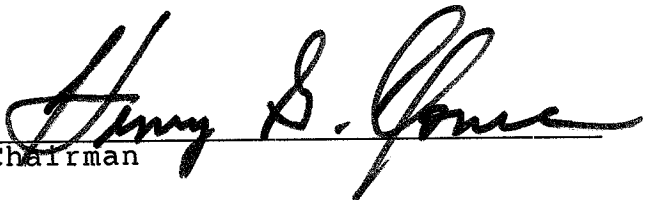

IN RE: Application of Little Dallas Motor) ORDER
Lines, Inc., 5121 Murray Johnson Road,) GRANTING
Conway, SC 29526, for a Class E) CONTINUANCE
Certificate.)

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of Santee Carriers, A Division of TIC United Corporation (Santee) which requests a continuance of the hearing in this docket previously scheduled for Thursday, April 14, 1994. Santee bases its request upon the fact that Santee's witness will be unavailable to appear at the hearing due to a commitment scheduled in advance of the April 14, 1994, date which was scheduled upon the request of the Applicant for continuance. Santee also states that the intended witness for the other intervenor in this proceeding, Southern Bulk Haulers, Inc., will likewise be unavailable on the 14th of April. Council for the Applicant, David Popowski, Esquire, objects to the continuance since it states that Santee has had the ability for over two weeks to advise the Commission of the scheduling conflict of its witness and that of Southern Bulk Haulers. Indeed, council for both Santee and Southern Bulk Haulers, Inc. according to Popowski were consulted prior to the Applicant's request for continuance. Therefore, the Applicant feels that the request should be denied.

The Commission has considered this matter and believes the

Motion for Continuance is solely within the discretion of the Commission. It appears in this matter that witnesses for the two Protestants in the matter will not be available on April 14, 1994. Therefore, this Commission believes that the continuance requested should be granted. This Order shall remain in full force and effect until further Order of the Commission.
